- With substantial vocational experience, in management but without a formal qualification

PATHWAYS FROM THE QUALIFICATION

After achieving this qualification you may choose to undertake studies at:
- BSB51015 Advanced Diploma of Leadership & Management or
- Higher education level in the field of management

COURSE DESCRIPTION

This qualification reflects the role of individuals who apply knowledge, practical skills and experience in leadership and management across a range of enterprise and industry contexts.
- Individuals at this level display initiative and judgement in planning, organising, implementing and monitoring their own workload and the workload of others. They use communication skills to support individuals and teams to meet organisational or enterprise requirements.
- They plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

STUDY & ASSESSMENT MODE

This course is delivered on face-to-face classroom based. Various structured activities and industry excursions are included to provide opportunity to explore the real business world. Assessment is competency based.
