**Document updated 4 February 2022**

This document is a general guideline for enrolment at PCBT and is not a visa advice.

Australian Visa holders will be categorised as a Domestic student, Non-student-visa student, or International student for the purposes of fees and whether a CoE (Confirmation of Enrolment on PRISMS) is required. Non student visa holders or those not planning to apply for a student visa (500 subclass) are considered as Domestic students and they do not need to have a CoE (Confirmation of Enrolment on PRISMS) because it does not fall under the ESOS category. These students will be issued with PCBT's own eCoEL (Confirmation of Enrolment Letter).

"Students on Bridging Visas are not usually categorised as an international student unless their student visas are refused/cancelled awaiting a merit review or planning to apply for a student visa. If a student is intended to apply for a student visa, please advise admissions to issue you an eCoE through PRISMS.
